

## **Downtown Appleton Farm Market Frequently Asked Questions:**

**Now two markets to serve you freshness more often and year round!**

### **What are the dates of market?**

**Midweek:** Market begins in June and goes through September. Day of the week to be determined.

**Saturday:** Market begins June 18 and runs every Saturday through October 29; outside, then moves inside City Center Plaza through the end of May. No market during Oktoberfest.

### **Where is market?**

**Midweek:** location still to be determined.

**Saturday:** College Avenue; Appleton to Drew Street; as well as vendors in Houdini Plaza and Oneida Street (south of College).

### **What are the hours?**

**Midweek:** TBA

**Saturday:** 8 a.m. – 12:30pm

**Is EBT offered at market?** Yes, we do accept EBT (Food Share) cards at market. Recipients can swipe their card at the information booth located in center of market and receive wooden \$1 tokens to shop at market to supplement their grocery assistance with fresh local produce, meat, cheese or bakery. Accepted EBT vendors have approved signage and can assist with questions. Because tokens do not expire, you can use them throughout the season or even inside at the Indoor Winter Market. We can ONLY accept tokens with our market logo on them, as that is the only way we can reimburse the farmer.

**Can I bring my pet?** Sorry, no pets allowed. Per City Ordinance 10-47, pets are not allowed at ANY special events. Violators may be fined \$186.00

**How do I become a vendor?** It is an application process that is dependent on what you're selling. All items must be hand-crafted or hand-grown to be eligible to participate. We have three different applications. Due to the high volume of interest, we do have a waiting list, with several categories capped off.

**What is the cost?** On Saturdays, a single 10' x 12' stall the fee is \$40/day. A double 20' x 12' sized stall fee is \$75/day. Booths at the indoor market are \$25 each. Booth rates for midweek TBA.

**What is the size of a booth?** Depending on availability, there are three different sized booths, but a most booths are 10' wide, 12' deep.

**Is there a place to park?** There is no reserved parking for vendors or shoppers. We recommend parking in the ramps downtown that charge just \$2 to park all day, so you don't have to plug a meter.

**How do I obtain a WI Sellers permit?** There is an online application available through the state for a permit: <http://www.revenue.wi.gov> We highly recommend you apply & receive a number, as we are required by law to submit all of your information from your application as you participate.

**Why isn't the application online?** Due to our extensive waiting list, we are currently not accepting applications, but would love to add you to our waiting list. Contact our Farm Market Director at 920-954-9112 or e-mail [Djuanna@appletondowntown.org](mailto:Djuanna@appletondowntown.org).
