

DOWNTOWN APPLETON FARM MARKET PRE-PURCHASED, LOW-CONTACT PICK UP

For an alternative way to shop the market and still support your local farm vendors from the comfort of your home, you can shop throughout the week direct with them and then pick it up Saturday mornings in the designated pick up location!

How it works:

- Throughout the week, shop directly with our vendors for the items you need from THIS LIST OF VENDORS – click through to their website/Facebook pages and work directly with them to get what you need!
- Work with that vendor directly to purchase and pay in advance. (No payment transactions will be made on Saturday at the pickup location)
- Orders must be placed with the vendors by the THURSDAY before market.
- Then Saturday morning between 9:30-11:30am, drive or walk through the pickup location (behind City Center on Oneida Street – map coming soon) to pick up your items from Farm Market staff (who will be wearing masks).

Please note: not all the vendors participating in the Pre-Purchased, Low-Contact, Pick Up will be at market every week – be sure to coordinate with them WHICH Saturday your order will be available for pick-up.
